GLINTS FROM THE DIAMOND.

Boswell, one of the University of Pennsylvania pitchers, has signed with the Cincinnati League team. Bob Allen, the Phillies' short stop and

Manager Barnie, of the Louisville club would like to secure the services of Pitcher

Meaney and Centre Fielder Wright, of the Harrisburg club. Dahlen, of the Chicagos, made seven hits, with a total of nineteen, in the three Boston-Chicago games, including four home rens. Irwin made four hits in the series and they were all home runs.

Captain Comiskey, of the Cincinnati League team, has been instructed to re-lieve Latham of the captaincy and get back into the game himself. Ontfielder McCarthy will be released to Indianapolis. A Harrisburg dispatch, in explaining the sale of Meaney, the Capital City's crack pitcher, to Louisville, says it is whispered in that city that the State League's condi-

tion is not as healthy as it might be. The Electrics lost their second game of this season to the Athletics of Minoska, on Saturday, by a score of 6 to 4. It was a pretty game and a hard fought one. Watkins, of the Electrics, by his wildness, contributed to the defeat of Taylor's "pets." The base ball team of St. Thomas' college accept the challenge of the Murray Hills, jr., of Pittston, and will meet them this afternoon on Scranton grounds. The visitors will please call at the college before going to the grounds, P. J. Boland,

manager. The laboring men of the Oxford mines have organized a base ball club. W. Daly is captain and David Davies manager. A second team with John Drumming cap-tain and John Connelly manager has been formed. The two teams will meet on first idle day.

Pitcher Brown, of Baltimore, stands in a fair way to be suspended. He sent word to Manager Haulen that he was ill and could not report at the ground for several days. Mr. Haulen is dissatisfied because of several previous absences of Brown. He says the young pitcher does not seem to low the proper road to advancement and

The result is that the Library boys will play the cierks and no one else, and that the club will be comprised of mem-bers of the association. Richard, second base; T. Francis, third base; J. Davis, short stop; A Ur-weider, left field; D. Harris, center field; Tubbs, right field; reserves, E. Watkins, David Harris, Henry Howells.

RACING AT WILKES-BARRE.

Annual Spring Meeting Commences at West Side Park Today.

Special to the Scranton Tribune. WILKES-BARRE, June 18 .- The annual spring race meeting will com-mence at West Side Park tomorrow and promises to be the most important ever held here. The entries thus far made guarantee that the sport will be unpenally good. Besides the regular pacing and trotting events there will be a number of running races that promise to be very exciting, as all the flyers are good ones.

> Fifth Round. Boston, June 18 -The fight between Bob Fitzsimmons and Joe Choynski tonight was stopped in the fifth round. Choynski was groggy and would protably have been knocked out had the fight continued.

In the third, Choynski landed heavily on Fitz-immons jaw, flooring him and making him groggy. Bob got up and fought on the defensive, until the round closed. Fitzsimmons afterwards had the best of the fight. It was declared no contest.

LOCAL BICYCLE NOTES.

The bids for privileges will be received by the committee soon. The privileges are very valuable and there will no doubt be some spirited bidding. All the contests will be short, sharp and

exciting, and without doubt the largest crowd ever assembled at the park will be present to witness the events. Large number of persons witness the practice of members at the Driving park every evening. The boys are getting into

good shape and it is gratifying to note their enthusiasm. After reading of Titus' great feat at Rockville, Conn., on Saturday, people will be anxious to see his performance in this city on July 4. Titus is rapidly forging to

the front and may be expected to do good work here. H. B. Chase, vice president of the Scran-

One thing that the Scranton club should insist on is that the grand stand at the Driving park be placed in respectable condition before the Fourth. The is no reason why the present ramschackle should longer remain as it is, Of course the club intends to erect a stand capable of seating 2,000 persons, but this does not relieve the directors from their responsibility. There will be present men and women, not from this state alone, but from several states, and there should be sufficient pride in those

Sanger, in speaking of his defeat by Johnson in the one-mile open event at Rochester last Wednesday, said that as isual Johnson would not set any of the pace, but followed close on to his, Sangr's, wheel and made a jump at the finish, crossing the tape first.

John S. Prince, the veteran professional bicyclist, has been engaged by the Green-wich wheelmen of New York to train their riders for the forthcoming tourna-ment on Manhattan field. The first of these races will be held June 27, under the auspices of the League of American Wheel-

At Rochester, Sanger, after riding in three races, retired to his tent and changed his racing clothes preparatory to leaving the track, as he was feeling un-well. He was ordered out in the quadcuple race, however, and was obliged to cide in his street clothes, as Chairman Raymond, who was present, threatened to disqualify him if he did not ride.

Charles Culver, in speaking of the injuries received by Taxis at Plainfield, June 2, says that they have not proved as serious as it was first feared. The ear, which was nearly torn off, is rapidly healing, while the teeth which Taxis broke in the fall he is having built out with gold. his fail he is having built out with gold. NOTES OF RACING EVENTS.

Two classic turf events will be decided Two classic turf events will be decided his week—the Suburban at Sheepshead Bay on Thursday, and the American Derby at Chicago, on Saturday. The Su-burban promises to be a great race. If Ramapo, Sir Walter, Lamplighter, Henry of Navarre, Clifford and Domino all start, it ought to prove the race of the year. The ratest betting on the Chicago Derby makes Senator Grady and Domino equal favorites at 3 to 1. Mat Byrnes is 5, Hornpipe, 8; Doriau, 5; Dobbins, 20; Despot, 15, Lucky Dog, 12, and Peter the Great, 100.

James B. Green's pretty little black stallion, Saladin, was out for exercise on the Belm ont track Monday, and so was Mas-cot, with whom Saladin is to have a pac-ing contest next Thursday. Many people went out to get points, but the two prodiwent out to get points, but the two prodi-gies were not permitted to show their re-spective speeding capacities. Saladin showed up in magnificent form, however. There hardly seems an ounce of super-fluous flesh on him, and he looks fit, and is fit, to race teday. Just how great his speed is no one but his owner, James B. Green, who also trains and drives him, can ell, but he said that the warm spell would o him a great deal of good in this respect.
